1	Interesting, could be a referral option. Not sure how to apply it internally. Will need to go back through material	9/23/2016 1:30 PM
2	AWESOME. Just awesome. I loved her communication style. I learned a lot from her that I was able to bring back to the clinic with me on Monday. I also learned a bit more about how to help my own emotional hijacking.	9/22/2016 4:45 PM
3	I could listen to Roberta talk all day. Great info that we can apply with our patient population.	9/21/2016 1:16 PM
4	I thought the hypnosis approach was very interesting, and I have actually given her info to a pt. I don't think it would be my first choice, but may be very beneficial for some patients.	9/21/2016 10:45 AM
5	This was my first exposure to Roberta and her work that she does and I found it very interesting. She could be a good resource for us given the right patient. I too was able to use some of her information immediately with patients as well.	9/20/2016 11:44 AM
6	Her info was most interesting as it was new and well delivered and seemed fairly easy to apply immediately. Would have liked more examples, cases, etc.	9/19/2016 6:18 PM
7	Roberta is a dynamic speaker. I thought she offered new content in an interesting manner. I would have liked a longer segment.	9/19/2016 1:38 PM
8	Roberta's talk was very informative and I really enjoyed hearing about other treatment options available to people and simple way we can incorporate her stuff into our own practice.	9/18/2016 6:31 PM
9	Very interesting presentation! I would have loved to hear Roberta speak for 4 hours instead of Mark. She brought an interesting perspective to helping our pts change their automatic thoughts. I would have liked more time with her to get more depth.	9/16/2016 4:32 PM
10	Provided a good understanding of benefits of hypnosis. Engaged in the presentation, easy to follow and brainstorm clinical applications.	9/16/2016 8:37 AM
11	Excellent- Able to apply information learned to direct client care, helpful and great new information.	9/15/2016 2:46 PM
12	Roberta - Great speaker! Perfect time allotment and relevancy	9/15/2016 1:33 PM
